

## Tuesday Bible Study

Join us as we explore Hosea and gain a more informed view of God's heart!

Hosea is a book that people often skip over. It is a small book tucked at the end of the Old Testament. Hosea's prophecies begin in the 8<sup>th</sup> century B.C. during a time of prosperity for Israel. But it is also a time when God's people move further and further away from God. They depend on God's guidance less and less and seek success and security by adopting practices of the surrounding pagan cultures. Sound familiar? Despite disobedience, God persists and never gives up on people. This is a book of hope and unflinching love!

### Tuesdays
